ETEEAP DEGREE PROCESS

A pathway to earning your bachelor's degree through experience, skills and prior learning.

01

INITIAL INQUIRY

Contact KznX to discuss your educational background, work experience, current occupation and desired bachelor's degree.

02

DOCUMENT COLLECTION

Provide the required personal, educational, employment and supporting documents for evaluation.

03

CAREER ASSESSMENT

We assess your work history, skills, trainings, certifications and competencies to identify the most suitable degree program.

04

PRE-EVALUATION

KznX reviews your documents to determine eligibility, the best-fit degree program and the appropriate partner university.

05

UNIVERSITY ENDORSEMENT

Your documents are submitted to a CHED-authorized ETEEAP university for formal evaluation and qualification review.

06

COMPETENCY ASSESSMENT

You may undergo various assessments such as interview, examination, practical demonstration, skills assessment and portfolio evaluation.

07

CREDIT EQUIVALENCY

The university converts your work experience, trainings, certifications and prior education into academic credits and determines the remaining subjects needed for graduation.

08

ENROLLMENT

Once approved, you enroll in the program, pay fees and receive your academic schedule.

09

COMPLETION OF REMAINING REQUIREMENTS

Complete the remaining academic requirements such as subjects, projects, internship (if required) and comprehensive examinations.

10

GRADUATION

After meeting all university requirements, your bachelor's degree is conferred. Your diploma is the same as a regular student's and does not indicate it was earned through ETEEAP.

HOW WE SUPPORT YOU

KznX provides end-to-end guidance and student support, and manages academic coordination with partner universities until you graduate.

GUIDANCE
YOU CAN TRUST

PARTNERSHIP
YOU CAN RELY ON

SUCCESS
YOU DESERVE

Step-by-Step Process

KZNX provides end-to-end guidance and student support from initial inquiry to graduation.

01**Initial Inquiry**

Discuss educational background, work experience, current occupation, and desired degree.

02**Document Collection**

Provide required personal, educational, employment, and supporting documents.

03**Career Assessment**

Assess work history, skills, trainings, certifications, and competencies.

04**Pre-Evaluation**

Determine eligibility, best-fit program, and appropriate partner university.

05**University Endorsement**

Submit documents to a CHED-authorized ETEEAP university for formal review.

06**Competency Assessment**

Complete interview, exam, practical demonstration, skills assessment, or portfolio evaluation as required.

07**Credit Equivalency**

Convert experience, training, certifications, and prior education into academic credits.

08**Enrollment**

Enroll in the program, pay fees, and receive an academic schedule once approved.

09**Completion**

Complete remaining subjects, projects, internship if required, and comprehensive exams.

10**Graduation**

After all requirements, the bachelor's degree is conferred. The diploma is the same as a regular student's diploma.
